

**Swarovski and EssilorLuxottica  
announce a ten-year licensing agreement**

**Wattens, Austria and Charenton-le-Pont, France (December 6, 2022 – 8am CET)** – Swarovski and EssilorLuxottica announced today that they have signed an exclusive license agreement for the design, manufacture and worldwide distribution of Swarovski Eyewear.

The agreement will be effective until December 31, 2028, with an automatic renewal option of an additional five years. The first collection under the agreement will be available on the market from September 2023.
