

EssilorLuxottica 2021 Annual Shareholders' Meeting:

Shareholders adopt all resolutions proposed by the Board of Directors

Charenton-le-Pont, France (May 21, 2021 – 6:30 pm) – EssilorLuxottica's Annual Shareholders' Meeting was held today behind closed doors at the Company's headquarters in Paris, chaired by Juliette Favre, Director of EssilorLuxottica and President of Valoptec, the association of EssilorLuxottica employee-shareholders.

EssilorLuxottica shareholders, who were invited to submit their votes prior to the meeting, approved all the 32 resolutions submitted by the Board of Directors, including the members of the new Board of Directors and the compensation policy applicable to the Company's Executive Corporate Officers.

"I'd like to offer our shareholders a warm thank you for standing by us throughout the pandemic and helping us achieve our goal of combining lenses and frames under the same roof. Our focus now is leading the Company into its next stage of integration where our management team will use its strength and experience to realize our vision. Never before have we been as well-equipped and motivated by our mission as we are today – this is exactly where we want to be at the start of a new era," commented Leonardo Del Vecchio, Chairman of EssilorLuxottica.

Furthermore, the Annual General Meeting of EssilorLuxottica has decided to grant to the shareholders the option to receive their final dividend to be paid for the financial year ended on December 31, 2020, in shares. As duly acknowledged by the Board of Directors, the price for newly issued shares for the payment of the dividend has been set at Euro 124.70 per share.

- This price corresponds to 90% of the average of the opening prices quoted on Euronext Paris over the twenty trading days preceding the date of the Annual General Meeting less the final dividend to be distributed for the financial year ended on December 31, 2020, this total being rounded up to the next euro cent.
- The ex-dividend date is set on May 28, 2021 and the record date is set on May 31, 2021.

Shareholders will be entitled to opt for payment of the dividend in newly issued shares from June 1, 2021 up to, and including, June 14, 2021. To exercise such option, shareholders have to address their request to the authorized financial intermediaries (which may set a shorter election period depending on their administrative processes). For shareholders holding shares in pure registered form, the request will have to be addressed to the Company's agent (BNP Paribas Securities Services, Grands Moulins de Pantin, 9, rue du Débarcadère, 93761 Pantin Cedex). For shareholders who have not exercised their option by June 14, 2021 (or the date set by their authorized financial intermediaries) at the latest, the final dividend will be entirely paid in cash.

- An application will be made to admit the new shares for trading on Euronext Paris market. The new ordinary shares allocated in payment will confer the same rights as the existing shares and carry current dividend rights (*"jouissance courante"*), i.e. they will confer the right to any distribution paid out as from the date of their issuance.
- If the amount of the final dividend in respect of which the option will be exercised does not correspond to a whole number of shares, the shareholder will receive the number of shares rounded down to the nearest inferior whole number, and a balancing payment in cash (*"soulte"*).

The payment of the dividend or the delivery of the new shares following the exercise of the option will take place from June 21, 2021.
