Resolution 10:

Compensation policy for the Corporate Officers ("say on pay" or "ex ante" vote)

Pursuant to Article L. 225-37-2 of the French Commercial Code, the Board of Directors submits for approval of the Shareholders' Meeting the principles and criteria for the determination, distribution and award of the fixed, variable and exceptional components making up total compensation and benefits of all kinds attributable to the Corporate Officers for the performance of their duties for the 2020 fiscal year, representing the compensation policy applicable to them.

These principles and criteria approved by the Board of Directors on the recommendation of the Nomination and Compensation Committee are set out in the report under the above article and appear in Chapter 2, Section 2.3 of the 2019 Universal Registration Document.

It is hereby specified that the compensation policy for Executive Corporate Officers, which is subject to an annual vote, is set by the Board of Directors, acting on the recommendation of the Nominations and Compensation Committee, based on the following key principles:

- compensation must be strictly aligned with the performance of EssilorLuxottica, in connection with the Company's business strategy;
- compensation must be considered as a whole: all components (cash compensation, long-term compensation, employee benefits and supplementary pension) and the balance between those components must be taken into account;
- compensation must be competitive with regard to the practices of comparable European and international companies;
- compensation must take account of employees' compensation and employment conditions: it must be consistent with that of the other senior executives and employees of EssilorLuxottica in terms of structure and progression;
- compensation must be governed by simple, clear, transparent rules.

1. Compensation policy for members of the Board of Directors

The compensation for members of the Board of Directors includes only cash compensation, whose maximum amount is voted by the Shareholders' Meeting and rules of allocation set by the Board of Directors.

Directors' compensation includes a fixed component and a predominant variable component, which take into account (i) the type of offices held on the Board and its committees and (ii) the actual presence of the members at Board and committee meetings.

In accordance with Article 14 of the bylaws, the Shareholders' Meeting determines the total amount allocated to members of the Board of Directors each year as compensation for their duties as Director. The total annual amount voted by the Combined Shareholders' Meeting of November 29, 2018 was €2,000,000. Details of the compensation policy for members of the Board of Directors are provided in the 2019 Universal Registration Document in Chapter 2, Section 2.3, "Compensation of Corporate Officers."

2. Compensation policy of the Executive Corporate Officers (Executive Chairman and Executive Vice-Chairman)

The compensation of the Executive Corporate Officers includes three main components:

- a fixed component, which should attract and retain top talents;
- a short-term variable component, linked to the achievement of strategic financial and non-financial targets established at the start of each fiscal year;
- a long-term incentive component, which is designed to encourage the creation of lasting value for shareholders and to align the interests of the Executive Corporate Officers with those of shareholders.

Around two thirds of the compensation of Executive Corporate Officers is performance-related, with one third related to long-term performance.

To take into account the expectations expressed by shareholders at the Combined Shareholders' Meeting of May 16, 2019, the compensation policy for Executive Corporate Officers, as described in the report on corporate governance, includes the following changes:

- Variable compensation
 - Introduction of a clawback clause
 - Introduction of a performance condition in connection with the Group's sustainable development targets
- Long-term incentive compensation (performance shares)
 - Elimination of retesting
 - More demanding performance share vesting scale
 - Introduction of a relative performance condition (comparison with EuroStoxx 50 index)
- Shareholding policy
 - Obligation to hold 400% of fixed compensation in the form of shares
- Exceptional compensation
 - Removal of the possibility to pay Executive Corporate Officers exceptional bonuses
- Termination/retirement benefits
 - Termination of the supplementary defined benefit pension plan and freezing of rights as of December 31, 2019

Fixed compensation	Short-term compensation <i>(Can represent 100% of fixed compensation if targets are achieved in full without exceeding 200%)</i>	Long-term compensation <i>(performance conditions measured over a period of three years)</i>
	85% of financial criteria: <ul style="list-style-type: none"> • Growth in adjusted net EPS, • Revenue growth, • Unlocking of synergies 	Main criterion: Annualized growth in share price
	15% of qualitative or non-financial criteria linked to specific objectives ⁽¹⁾	Penalty in the event of under-performance in relation to the EuroStoxx 50 index

(1) These non-financial criteria being quantifiable.

The purpose of the **10th resolution** is to submit for the approval of the Shareholders' Meeting the compensation policy that applies to all Corporate Officers, i.e., Leonardo Del Vecchio (Executive Chairman of the Company), Hubert Sagnières (Executive Vice-Chairman of the Company) and the members of the Board of Directors.

The compensation policy of the Corporate Officers is presented in the 2019 Universal Registration Document in Chapter 2, Section 2.3 "Compensation of Corporate Officers".

Tenth resolution

Approval of the compensation policy applicable to Corporate Officers

The Shareholders' Meeting, acting under the conditions of quorum and majority required for ordinary shareholders' meetings, and having reviewed the report of the Board of Directors on corporate governance, pursuant to Article L. 225-37-2 II of the

French Commercial Code, approves the compensation policy of the Corporate Officers presented in the 2019 Universal Registration Document in Chapter 2, Section 2.3 "Compensation of Corporate Officers".

Resolution 11:

Authorisation to be granted to the Board of Directors to proceed with the purchase of the Company's own ordinary shares

The purpose of this resolution is to authorise the Company to buy back its own ordinary shares on the market for the purposes allowed under European regulations and the AMF (such as the delivery of shares awarded to employees, the cancellation of shares to counteract the dilutive effect of capital increases for Company Savings Plan members, the award of stock-options and performance shares to Group employees and the use of shares in exchange for or in payment of external growth transactions). The share buyback authorisation may be implemented at any time, except during public purchase offerings, subject to the following conditions:

Conditions of the authorisation:

- Ceiling: 10% of the number of shares constituting the Company's capital at the date of the purchase;
- Maximum purchase price: €200;
- Period: 18 months;
- Previous uses: in 2019, the Company has not used the previous share buyback authorisation.

Anticipated use: although the Board of Directors wants to remain free to use this proposed authorisation in the future for uses that have not been identified at this stage in line with the objectives presented above, the EssilorLuxottica Board of Directors has already confirmed that the employee shareholding policy will be maintained as a key intangible principle and will be deployed step-by-step over time throughout the EssilorLuxottica group. For this purpose, the Board of Directors confirmed that the implementation of employee shareholdings plans will take the form of employee performance shares, employee stock-options, employee shares offerings and/or any other employee shareholdings plans. In order to align such policy with a stable shareholding structure as set out in the Combination Agreement, the Board of Directors has decided that the treasury shares will mainly serve the employee shareholding plans to be put in place in the future.

Eleventh resolution

Board authorisation to proceed with the purchase of the Company's own ordinary shares

The Shareholders' Meeting, acting under the conditions of quorum and majority required for ordinary shareholders' meetings and having heard the report of the Board of Directors, authorises the Board of Directors, in accordance with the provisions of articles L.225-209 and subsequent of the French Commercial Code, to proceed with the purchase of ordinary shares of the Company representing up to 10% of the number of shares in the Company's capital on the purchase date, with the understanding that the Company may under no circumstances hold more than 10% of its own capital.

The Shareholders' Meeting resolves that these purchases may be carried out for the following purposes:

- awarding, transferring or selling them to employees and Corporate Officers of the Company and its associated companies, including in the context of participation in the fruit of the Company's expansion, awards of free shares and performance shares, award of stock-options giving right to purchase shares, and any employee shareholding plans (Group savings plan and any similar plan, as the case may be, governed by foreign laws);
- cancellation to reduce the Company's capital (in particular, to compensate for the dilutive effect resulting from the vesting of free performance shares, the exercise of share subscription options by employees and Corporate Officers of the Group, and from increases of capital reserved for employees);
- cover for debt securities that can be converted into or exchanged for Company shares by purchasing shares for delivery (in the event of delivery of existing securities when conversion rights are exercised) or by purchasing shares for cancellation (in the event of the creation of new securities when conversion rights are exercised);

- supporting the share price within a liquidity contract in accordance with the delegated European regulation 2016/1052 of March 8, 2016 supplementing Regulation (EU) No. 596/2014 of the European Parliament and of the Council with regard to regulatory technical standards for the conditions applicable to buy-back programs and stabilisation measures;
- ultimately swapping or using them as payment in the context of external growth transactions, up to 5% of the capital;
- implementing any accepted market practice recognised by the regulations or the AMF or for any objective permitted in compliance with applicable law.

The Shareholders' Meeting resolves to fix the maximum purchase price per ordinary share at €200 (excluding any purchase fees).

The previously stated share price and number are subject to adjustments as a result of any possible transactions in connection with the Company's capital.

The Shareholders' Meeting resolves that the purchase, disposal or transfer of shares may be paid for and effected by any means and, in particular, on any regulated, free, or OTC market and on any multilateral trading system (including by simple repurchase, by financial instruments or derivatives, or by putting in place option strategies). These transactions may also take the form of blocks of securities which achieve the entire share repurchase program.

This authorisation is granted for a maximum period of eighteen (18) months from this day, specifying, for the record that it cannot be used fully or partially during periods of public offerings relating to the Company's shares.

All necessary powers are therefore granted to the Board of Directors, with powers to sub-delegate to the Executive Chairman or, to the Executive Vice-Chairman, as the case may be, as

permitted by Law and the Articles of Association, to effect this resolution including to finalise any programs, send orders to the Stock Exchange, conclude agreements, make any statements and complete any formalities with the AMF and any organs indicated by the authorities, or generally, do whatever is necessary.
